

RULES

for

Bright Sparks

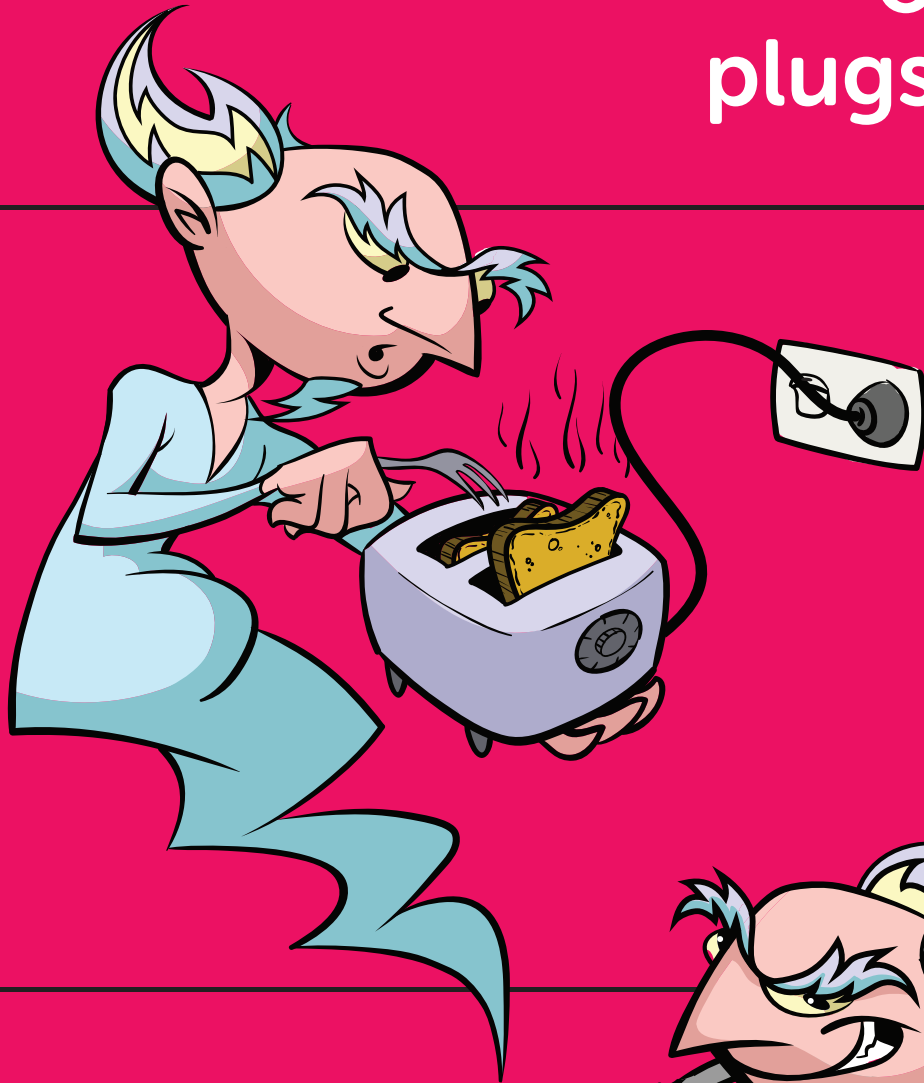

Staying safe around electricity

NEVER put anything other than power plugs in to a power point.

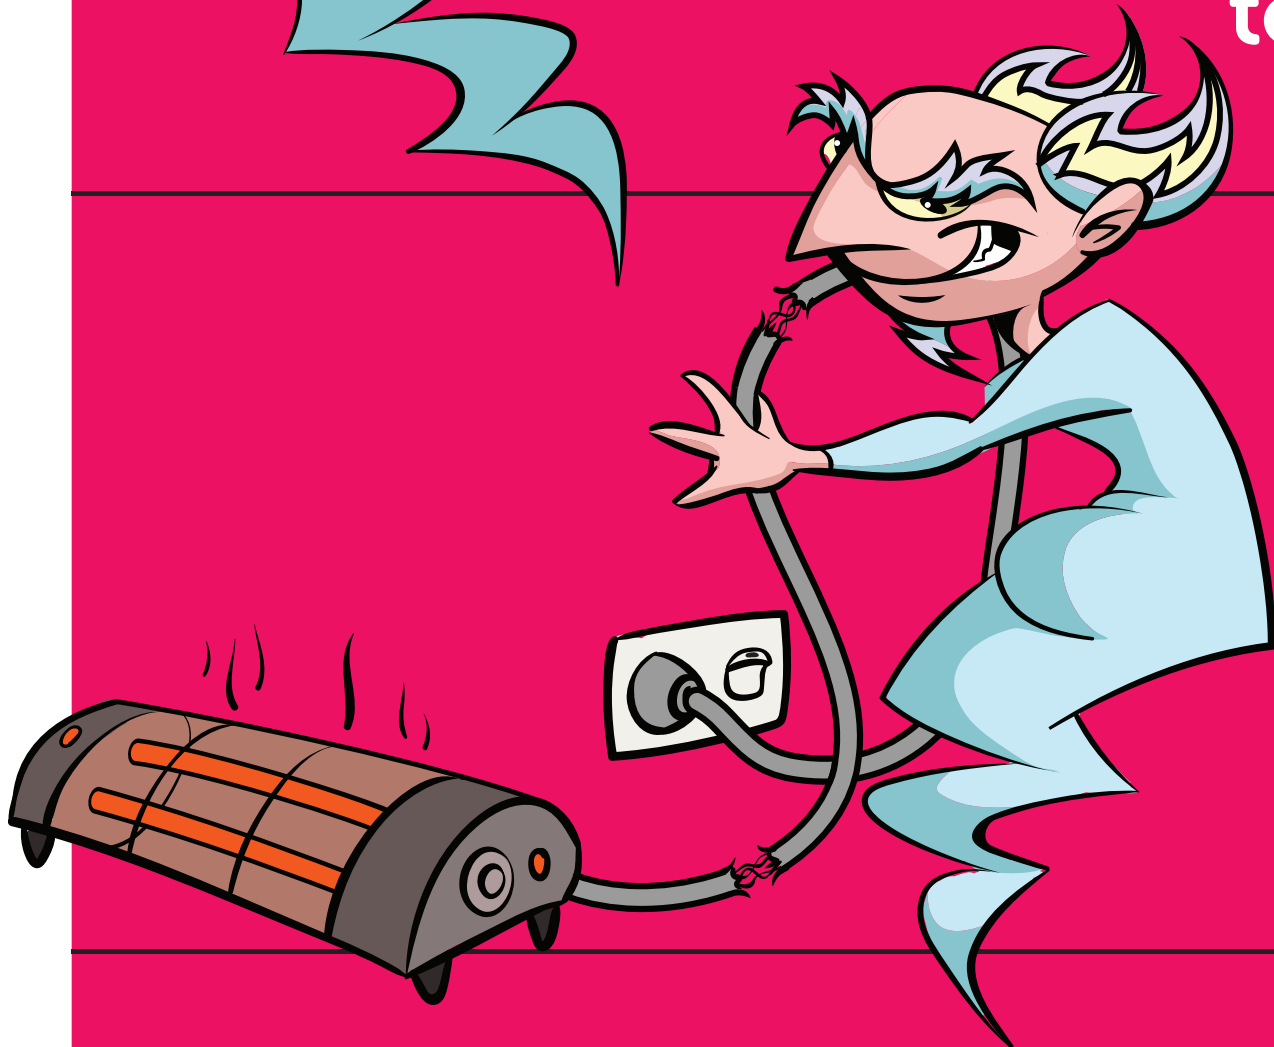

NEVER play with power points.

NEVER use a knife or a fork to get toast out of the toaster.

Stay safe with things that use electricity.

NEVER use a broken or torn power cord

If the cord is damaged, throw it away.

NEVER use hairdryers or anything that uses electricity near water

If you use power near water, you could get **ZAPPED!**
