

Course Overview

UETDREL006 Work safely in the vicinity of live electrical apparatus as a non-electrical worker

8
hours

Duration

\$360
GST Free

Per Person

8-10
people

Group Size

DESCRIPTION

This course covers compliance with working safely up to the defined “safe approach distance” near energised electrical apparatus (inc. electrical powerlines) for non-electrical workers.

The work functions that would benefit from this training include plant operators, painters, vegetation control, riggers, scaffolders and other persons that need to work safely and comply with requirements and established procedures near live electrical infrastructure.

CERTIFICATION

On successful completion, participants will receive a Statement of Attainment for *UETDREL006 Work safely in the vicinity of live electrical apparatus as a non-electrical worker*.

Expiry period: Not applicable

PRE-REQUISITES

- CPCCWHS1001 – Prepare to work safely in the construction industry (*TasNetworks requirement*)
- Literacy and numeracy skills as described in the Learner Handbook (*TasNetworks requirement*)

DELIVERY MODE

Training and assessment occurs in a workshop environment.

COURSE CONTENT

Preparing, carrying out and completing work safely near live electrical apparatus as a non-electrical worker including:

- Electrical terminology, transmission and distribution voltages
- Established procedures and safe approach distances
- Risk assessments, control measures and the role of safety observers
